ABOUT US

Country Care Group is an innovative company based on family values. The group aims to build pathways to make it simpler for people to access information, products and services that create a better everyday life.

Country Care Group have a dedicated National NDIS Manager and trained NDIS Ambassadors in store to discuss the participants plan and equipment needs from the comfort of private consultation rooms.

The dedicated service means that NDIS participants don't need to search the markets for products – Country Care Group is there to help.

Country Care Group has access to more than 8000 items in the Assistive Technology industry, allowing people of all abilities to perform tasks that they may otherwise have been unable to.

For more than 20 years Country Care Group have been supplying, distributing, manufacturing and performing home modifications for NDIS participants. From minor works such as internal and external grab rails, threshold ramps, timber ramps, banister rails, step modifications, non-slip treatments and strips on wet area floors, through to major renovations.

Country Care Group's qualified tradespeople work closely with occupational therapists, architects and building surveyors to ensure its work suits individual needs and requirements.

WHY CHOOSE COUNTRY CARE GROUP?

Country Care Group staff are not just highly skilled, knowledgeable industry professionals – they are also passionate about what they do. They genuinely care about achieving better everyday living options for those they support.

It doesn't matter what stage of an NDIS journey a customer is at, Country Care Group is there for support. The Country Care Group team boasts excellent relationships with Occupational Therapists, Local Area Coordinators, NDIS staff and Support Coordinators ensuring the highest quality solutions are provided for their clients. In-home product trials are available, ensuring the product chosen best suits a clients needs.

EATING & KITCHEN

FEATURED PRODUCT

UCCELLO KETTLE

The Uccello Kettle is specifically designed using unique powerpour technology to provide effortless pouring action with its ergonomic handle.

Its non-weight bearing 'tilt and pour' action directs hot water to the fixed position of the cup, without removing the kettle from its cradle.

ONE TOUCH JAR OPENER

- The One Touch Automatic Jar Opener will open stubborn lids at the touch of a button
- Ideal for people with weak or infirm hands
- Simply fit One Touch over the lid and let it do the hard work
- Suitable even for new, factory sealed jars
- Requires 2 x AA batteries

I need this product

ONE TOUCH CAN OPENER

- The innovative hands-free One Touch Automatic Can Opener can open most cans between 53mm and 153mm diameter
- The opener 'walks' around the can and switches itself off automatically, leaving an easy-to-remove lid with no sharp edges
- Perfect for seniors, or anyone with weak hands
- Requires 2 x AA batteries

I need this product

ONE TOUCH BOTTLE OPENER

- The One Touch Twizoff Automatic Bottle Opener is suitable for either metal or plastic screw-top bottle caps up to 55mm in diameter
- Its rubber jaws adjust automatically to the lid size and will break seals and open caps with a smooth, effortless motion
- Easy to use, store and clean, the One Touch Bottle Opener is perfect for people with weak or infirm hands
- Requires 2 x AA batteries

I need this product

WEBEQU KNIVES

- Developed to secure the best, most effective and least demanding cutting and slicing movement
- Provides great stability, control and balance
- Features a soft grip
- Ergonomic design minimizes strain on the user's wrist
- The shape and non-stick feature add to the elegant design of these knives

I need this product

SUPERGRIP CUTLERY SET

- Stainless Steel utensils with rubber handles
- Comfortable ribbed built-up handles
- Assists people with weak grasps to hold utensils securely
- Institutional dishwasher safe

I need this product

KITCHEN WORK STATION

- The multi function food preparation unit is designed to provide assistance with many day to day kitchen tasks
- Based around a tough, durable chopping board
- Includes a removable grater and slicer, a raised L-shaped corner, removable spikes and a removable clamp
- Four non-slip suction pad feet are provided to prevent board from moving
- Dishwasher safe

I need this product

CLEAR TWO HANDLED MUG

- Wide stable base
- Two large, contoured and angled handles
- Enables user to hold mug in correct position for drinking
- Ideal for those with tremor or who cannot sit upright
- Well designed spout
- Capacity 300ml
- Microwave safe

I need this product

HI-LO SCOOP PLATE

- The vertical wall guides food onto utensils
- Oval plate with a sloping bottom and a high side allowing user to scoop food
- This lightweight plate has a non slip rubber coated bottom to prevent sliding
- 230mm diameter provides plenty of space for any size meal
- This microwaveable plate has a 19mm rim for easy handling

I need this product

DYCEM NON-SLIP PADS

- Dycem has been developed to produce the most effective non-slip material available
- Grips dry, slippery surfaces (e.g. work-tops, tray, floors and tables) to prevent movement
- Washable, but not effective when wet
- Non-sticky
- May be used to enhance the user's grip on jars, handles etc

I need this product

EASYGRIP SCISSORS

- Extremely lightweight with plastic handles and stainless steel blades
- Continuous loop handle automatically reopens scissors when pressure is released
- Only a gentle squeeze is required to operate the scissors
- Available in round or pointed blades
- They can be used either in the right or left hand

I need this product

HOUSEHOLD & DAILY LIVING AIDS

FEATURED PRODUCT

CCG HANDI REACHER

HOUSEHOLD & DAILY LIVING AIDS

The Country Care Group Handi Reacher features a unique rotating head gives maximum visibility to retrieve an object, without taking the strain in the wrist with a simple pull, twist and return action. The robust construction helps with heavier lifting too.

CRYSTAL TAP TURNER

- Clamps around the top of cylindrical tap tops providing leverage to turn them easily
- Jaws can be locked into position
- Barrel of the handle is spring loaded to allow the jaws to clamp down on the tap which is gripped by non-slip rubber linings in the jaws
- The handle is comfortable and easy to grip
- For use with taps 60mm in diameter

I need this product

CCG SHOE HORN

- Featuring an extended handle which curves comfortably in the hand, 21"/52cm long
- Smooth shoe horn blade is gentle against the skin
- Curved end can be used to help with dressing too

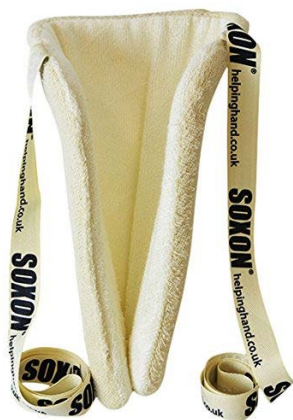

I need this product

JADCO CLOCKS

- Large, clear numbers for people with low vision
- Option for full or partial days and dates
- Large face options
- Available in many styles, including digital and analogue

I need this product

CCG SOCK AID

- Long handles with loops avoid bending down and can be held in the hand, one handed or on the wrist for those who may have limited grip
- Can safely be used for those recovering from hip or knee surgery
- Can be washed by hand or in machine to keep clean between uses
- Full user instructions included

I need this product

BUTTON & ZIPPER HOOK

- Helps make dressing and undressing simpler
- Two different ends to fasten buttons and zips
- Easy to store and carry around in a bag

I need this product

EZY UPS

- Innovative quality product for putting on and removing socks
- Does not require any form of bending or stretching allowing total independence
- Makes life easier for anyone who has restricted mobility
- Designed to withstand treatment that other sock aids can't
- Made to last and is fitted with quality rubber tread on the base to prevent slipping

I need this product

CCG LONG HANDLED SPONGE

- These sponges are mounted on white, plastic handles which can be customised with a heat gun and bent to the desired angle
- The sponges are treated with an anti-bacterial agent that prolongs their life
- Loofah style sponge features a rough surface on one side for added scrubbing action and a standard sponge on the other side

I need this product

LOTION APPLICATORS

- The Dual Function Lotion and Cream Applicator applies cream and massages skin at the same time
- Comes in a long handle applicator
- Simply remove the top of the applicator and fill with the desired cream or lotion
- The interchangeable foam head can be used to apply thicker creams directly onto the skin

I need this product

LONG HANDLED BRUSH / COMB

- Both the ETAC Beauty Comb and ETAC Beauty Hairbrush come in two lengths
- The longer are recommended for users who can only reach to the shoulder
- Ergonomically designed, both comb and brush are curved to follow the shape of the head
- This allows the handle to be held close to the body for maximum comfort and control

I need this product

CCG FOOT SCRUB WITH BRUSH

- So simple it's brilliant
- Sponge all over gently and effectively without absorbing too much water
- Exfoliating model helps improve circulation with added scrubbing action
- Toe & Foot cleaner - You don't have to be able to touch your toes to wash them!
- Cleverly extend your reach without bending or stretching

I need this product

A photograph of a light-colored dog lying on a tiled floor in a living room. The dog is positioned in the lower-left corner of the frame. In the background, there is a brown leather sofa with a light-colored blanket draped over it. A large, semi-transparent green circle is overlaid on the right side of the image, partially covering the dog and the sofa. The word "MOBILITY" is written in white, bold, uppercase letters across the center of the green circle.

MOBILITY

FEATURED PRODUCT

KARMA ERGO LITE DELUXE

- Easily installable nylon bag
- Tool free adjustable brake
- Tool free adjustable Height

I need this product

ELLIPSE ALUMINIUM WALKER

- Improved long wearing finish
- Brake cable inside frame for safety
- Unique suspension system
- Tool free - height and brake adjustable
- Easily foldable for storage

I need this product

ELLIPSE INDOOR WALKER

- Made of lightweight aluminium
- Removable Tray
- Easy to fold
- Easy to operate height adjustable handle
- Easy to use hand brake

I need this product

DELUXE FOLDING WALKER

- With wheels and glides
- Anodized silver frame
- Grey crossbar
- Grey TPR hand grip
- Grey tip
- Foldable frame
- Maximum user weight 100kg

I need this product

HANDY BAR

- Assists with getting into and out of the car by providing a rigid support handle
- Can be used independently or by an attendant assisting a person getting into or out of a vehicle
- A portable, alloy metal handle that inserts into the U-shaped striker plate on the vehicle door frame
- The handle has a slip resistant foam padded grip

I need this product

SOFT SWIVEL CUSHION

- A seat cushion with a smooth and safe turning action
- Ideal for car transfers, assists the user in transfers from a seated position
- Eases the strain on the back, hips and knees
- Non slip base prevents movement of cushion
- Quilted top panel for extra comfort
- Swivels 360 degrees, suits most vehicles and is easy to install

I need this product

CCG LEG LIFTER

- Invaluable way to help improve blood flow into your legs by lifting and lowering your limbs manually
- Comfortable, wide padded handle can be used singly or with both hands, in the hand or on the wrist
- Extra wide opening of the bottom loop makes it easier to get a foot in and accommodates those wearing a cast

I need this product

AIRGO WALKING CANES

- Engineered to provide unparalleled comfort and security with every step
- The ergonomic handle has a cushion top that conforms to your hand
- The handle and flex grip tip helps reduce impact shock transfer and is designed to fit comfortably
- The wrist strap comes with a reflective patch for added night time safety
- It has 12 individual height settings

I need this product

A photograph of a bathroom sink area. On the left, a white ceramic soap dispenser with thin black horizontal stripes and a silver pump handle is visible. The background is a bright, slightly blurred window. A large, solid green circle is overlaid on the right side of the image, containing the text.

TOILETING, SHOWERING & BATHING

FEATURED PRODUCT

R&R PREMIUM SHOWER STOOL

TOILETING, SHOWERING & BATHING

The R&R Premium Shower Stool is designed to assist those who have difficulty showering, with height adjustable legs and enhanced with a padded seat for extra comfort. With larger tubing increases users ability to grip and stand up easily. Available with a backrest if required.

R&R PREMIUM SHOWER CHAIR
