

# MePlusMore

Independence for all

**Me Plus More is an innovative disability tech start-up that empowers people with intellectual disability or cognitive impairment to work towards their independence. The platform provides the tools required to achieve goals and deliver measurable outcomes.**

## Me Plus More offers your organisation:

- Improved quality of service, focusing on participant outcomes
- A curriculum for quality service practice
  - Weekly lessons providing tools to guide both support staff and participants
- An easy-to-use platform that requires no training
- The ability for support staff to observe meaningful outcomes in those they are supporting
- A 24/7 accessible platform with downloadable offline materials
- An adjunctive enhancement to current services
- Assurance your participants are working towards their goals, dreams, and independence in a person-centred approach
- The opportunity to maximise NDIS support continuity by providing quantified outcomes related to goals

## Me Plus More offers your participants:

- Outcomes tied with goals, in turn providing evidence for continued NDIS support
- An accessible online platform specifically designed to inspire and empower them to attain their goals
- Support through an online network where participants can:
  - Be in an encouraging and safe online community
  - Have the opportunity to make connections with others working towards similar goals
- The opportunity to have an invaluable quality service from their support staff
- A platform that uses gamification to promote and stimulate healthy competition
- The ability to utilise NDIS funding to enhance supports

# Membership Options

Me Plus More can be used as a valued add-on to your service. There is opportunity either to incorporate it into service delivery, or onsell to the participant utilising their NDIS package.
