About WinaCare

WinaCare Disability Services is a NDIS registered provider, that is managed by a leadership Team who possesses decades of experience between them, in the areas of Nursing, Management and Education in the Disability, Aged Care sectors who are dedicated to Making a Positive Difference to the Community, through individualised support and person-centred practice.

HERE TO SUPPORT YOU

WinaCare Disability Services is based in Adelaide providing 24/7 support across Adelaide and Brisbane to people with intellectual, physical, sensory, cognitive and psychosocial disabilities.

We strive to not only facilitate change to the lives of those we work with and support, but also, to the community as a whole.

**AS A COMMUNITY BASED ORGANISATION
WE SEEK A WORLD OF HOPE, A WORLD OF
TOLERANCE AND SOCIAL JUSTICE AND A
WORLD WHERE PEOPLE LIVE IN DIGNITY WITH
CULTURAL SAFETY.**

What is different about what we offer to our participants?

WinaCare Disability Services offers the best quality services using highly trained professional staff, and endeavour to be as flexible as possible to ensure that the participant receives the services that meet their needs and requirements.

Our Credibility

WinaCare Disability Services continues to grow in metro and regional areas of South Australia and is respected by the communities and councils in the areas in which we work.

With over years combined experience in the community sector.

Our Service Advantage

We have a diverse range of innovative services that are continuing to expand to meet the growing needs of the vulnerable members of our community.

We are able to provide high levels of support for the people we support.

Vision and Mission

Vision

The Vision of WinaCare Disability Services is for every person to have access and choice to achieve his or her full potential and an improved quality of life, create fresh opportunities, empowering you to live your life to the fullest at home, and in your community.

Mission

The Mission of WinaCare Disability Services is to empower the disabled and vulnerable, by eliminating barriers and creating opportunities to succeed, enhancing the dignity and quality of life of individuals within our community.

Compassion

We respond with humanity and kindness to each person's pain, distress, anxiety or need. We search for the things we can do, however small, to give comfort and relieve suffering. We find time for those we serve and work alongside. We do not wait to be asked, because we care.

Improving Lives

We strive to improve health and well-being and people's experiences with our support staff. We value excellence and professionalism wherever we find it – in the everyday things that make people's lives better at home.

OUR SERVICES

Assistance with Daily Living Activities

When you are going through a hard time, it is sometimes the small things in life that can make everything seem difficult.

At WinaCare we work beside you to develop skills that will empower you to maintain your independence and support you while live your choices. Our team will collaborate with our clients, their families, and carers to determine strengths and goals. Our individualize approach in assisting individuals through service organization recognizes that all people are unique and that personal circumstances change over time.

Mental Health Support Services

WinaCare have qualified and experienced staff to ensure support needs are acknowledged by those providing support services to create a rewarding plan.

WinaCare is an experienced provider in of evidence-based approaches to improve quality of life and assist people who have complex support needs to regain their quality of life. Our experienced specialist staff collaborate with clients, families, support workers, stakeholders, decision makers and our network of professionals in the mental health and disability sector to support people to live meaningful lives in their community.

Supported Independent Living

We understand how important it is to live somewhere you love. We can assist you to find a dream place that suits your needs and lifestyle.

Our team of professional and supportive staff will collaborate with individuals and their families or guardians to identify what they need in a home, and support clients to access and maintain stable accommodation and community connection, ensuring choice and control for your overall health and wellbeing.

Support Workers are on hand to support you with cooking and maintaining your home, accessing the community, and helping with personal grooming and hygiene whilst being respectful and caring. Our experienced team provide 24/7 person-centred care, so we are there when you need us, anytime.

Social & Community Participation

We understand the challenges of getting active in your local area. We can support you to enjoy where you live and meet new people.

Being an active member of your community is a positive step to living independently and creating social networks you can engage with regularly. We will collaborate with you to participate in activities ranging from recreation and leisure through to personal development and overall better health outcomes.

Travel & Transport Support

We can help you to travel independently on public and private transport to stay connected with your loved ones by supporting you to travel independently on public and private transport in your community.

Having the independence to get active in your community is important to have freedom to do the things you enjoy. We can support you to travel on the bus, train, Tram or in your car is a wonderful way to visit friends and family, travel to your job, do shopping and access health and education services.
