Helping you declutter,
organise & transform your
home using simple systems
your whole family can follow

SERVICES

HOME ORGANISING & DECLUTTERING

An initial consultation followed by in-home sessions to help you transform rooms that need a fresh set of eyes and major dose of organisation therapy.

By using simple methods and functional results, we create simple, easy-to-follow organisation systems that works for you and your family.

SHOPPING SERVICE

Product research & recommendations to meet your style and budget. We take care of shopping and styling for you, if you're planning to add new products to your space but not sure where to start.

MOVING HOUSE & RELOCATION ASSISTANCE

An initial consultation, pre move decluttering and/or unpacking, organising & styling post

NDIS AND AGED CARE IN-HOME ORGANISING SESSIONS

We patiently listen, review and understand the participant's organisational challenges and work with them to establish organising solutions, systems and routines that will give them more control over their space and life, improve their daily living and build their capacity.

HELLO,

We have a talented team of home organisers. AKA passionate people who genuinely enjoy sorting, clearing and organising all day long.

Our team help people living in Melbourne get their ducks in a row by creating functional homes with simple systems anyone can follow.

We love helping busy people get their homes neater, less stressful and give them more time to do what they really care about.

"Can not recommend Ducks In A Row enough! SO FANTASTIC! Thorough, empathetic, fast, kind hearted, clever, great communication, prompt replies to queries, flexible with unique barriers, professional, absolutely loved the experience. Will definitely use them again. What a great team. Thank you so much"

Clare Goodwin
