

## Why choose Us?

- **Compassionate and Skilled Caregivers:** Our caregivers are carefully selected, trained, and compassionate individuals who provide exceptional care while respecting the dignity and privacy of our clients.
- **Personalized Care Plans:** We develop individualized care plans that reflect the unique needs, preferences, and goals of each client, ensuring personalized and comprehensive support.
- **24/7 Availability:** We offer round-the-clock care and support, providing peace of mind for clients and their families, knowing that assistance is available whenever needed.
- **Collaboration with Healthcare Professionals:** We work collaboratively with healthcare providers, including doctors, therapists, and nurses, to ensure coordinated and integrated care for our clients.
- **Commitment to Safety:** We prioritize the safety of our clients through rigorous caregiver screening, comprehensive training, adherence to industry best practices, and regular quality assurance checks.

"Our lives have changed a lot, now everything is perfect"

## Edelweiss Care

“**Edelweiss**” stands for the word “*noble white*” which associates with our services in a clear and uncomplicated way.

Edelweiss Care promises to enable everyone looking for holistic care and support as well as our employees to recognise their choices and value. We honour ourselves for providing efficient care and respectful environment which empowers both our clients and staffs.

Our team ensures to walk in your shoes while simplifying and connecting all relationships in the community regardless of your culture and background. We assure to provide the quality potential services required by our clients.

## What we love to do

- 1. Personal Care Assistance:** Our skilled caregivers provide assistance with daily living activities, including bathing, dressing, grooming, medication management, and mobility support, ensuring comfort and maintaining personal hygiene.
- 2. Companionship and Social Engagement:** We offer companionship services to combat isolation and loneliness, engaging in meaningful conversations, participating in hobbies, accompanying clients to appointments, and fostering social connections.
- 3. Home Health Monitoring:** Our trained professionals monitor vital signs, administer medications, and provide health education to manage chronic conditions, promoting overall well-being and reducing hospital visits.
- 4. Meal Planning and Preparation:** We assist with meal planning, grocery shopping, and nutritious meal preparation, catering to dietary restrictions and preferences, ensuring proper nutrition for optimal health.
- 5. Household Support:** We provide light housekeeping, laundry, and organization assistance, creating a safe and clean living environment that enhances comfort and peace of mind.

## How to Access our Services

Getting started with our Disability Services is easy. Here's how you can access our support:

- 1. Contact Us:** Reach out to our dedicated team via phone, email, or visit our website to learn more about our services and discuss your needs. We are here to answer your questions and guide you through the process.
- 2. Assessment and Planning:** Once you've made contact, we will schedule an assessment to evaluate your requirements and develop a personalized support plan. We will collaborate closely with you throughout this process to ensure your goals are understood and prioritized.
- 3. Service Delivery:** Following the assessment, our team will implement the agreed-upon support plan. You will have access to our extensive range of services, and we will work together to monitor progress and make any necessary adjustments.
