

By choosing Delicate Care Disability Services, you can experience a range of benefits:

- **Increased Independence:** Through tailored support, skill development, and cultural integration, we empower you to take charge of your life, make choices that align with your values, and achieve greater independence in daily living.
- **Holistic Health and Wellbeing:** Our programs encompass not only practical skills but also promote your overall physical, mental, and emotional health to nurture your well-being.
- **Improved Community Integration:** We focus on improving your community integration by fostering communication skills, decision-making abilities, and promoting cultural understanding. Through community engagement and participation, you can build meaningful connections and actively contribute to your community.

Let us know how we can help you achieve your goals!

*Discover a World of
Support and Empowerment*

About us

At Delicate Care, we believe in a world where everyone has the opportunity to thrive, regardless of their abilities. We are a family owned NDIS provider dedicated to supporting and empowering individuals with disabilities in Brisbane, Logan City, and surrounding areas. We recognize the rich cultural tapestry of these areas, including the vibrant traditions of Indigenous communities and culturally and linguistically diverse backgrounds.

Our mission is simple yet powerful: **to support and enrich lives, while making your cultural and religious needs paramount.** We envision a fairer and more inclusive society that embraces the unique strengths and contributions of every person.

We believe that every individual, regardless of their cultural or linguistic background, has the strength to thrive and succeed. Our staff members draw on their diverse experiences to provide culturally sensitive and inclusive support, helping you navigate your unique challenges and aspirations.

We take great pride in providing personalised supports and services that prioritise your perspective. With Delicate Care, you are not just a participant; you are an active decision-maker in your journey towards independence and fulfillment.

In-Home Support

Our compassionate team provides personalized in-home support to assist you with daily tasks and activities.

Whether it's domestic chores, personal care, or mobility assistance, we are here to ensure your comfort and well-being. With our in-home support, you can enjoy the independence of living in your own space while receiving the necessary assistance to enhance your quality of life.

Skill Building

We are committed to helping you develop essential skills for independent living. Our programs focus on practical and soft skills, such as literacy, numeracy, communication, and daily living activities. Through engaging activities and personalized training, we empower you to build confidence, increase your capabilities, and overcome challenges.

Cultural Training & Integration

We offer specialized programs to celebrate diversity and promote cultural understanding. Our experienced staff is trained to provide culturally sensitive support, ensuring that your cultural and religious needs are respected and integrated into our services. By embracing cultural diversity, we create an inclusive environment where you can thrive and feel a sense of belonging.

NDIS Onboarding Assistance

Navigating the NDIS can be complex, but we're here to guide you through the process. Our knowledgeable team provides comprehensive NDIS onboarding assistance, ensuring you understand your plan and how to access the supports and services available to you. We are committed to helping you exercise choice and control over your NDIS journey, empowering you to make informed decisions that align with your goals.
