Request Support – How to register your support with us

We are an organization that understands your needs and treats them as our own. Join our family of happy participants today.

Step 1: Contact Us

To request disability support for yourself or your loved one, please call us on 1800 455 679, or send us a message via our website by clicking [HERE](#)

Step 2: Attending to your enquiry

Upon receiving your enquiry or support request, our team will contact you via email or phone call to book a meeting with you.

Step 3: Meeting with you

To better understand your support requirements, we will book a meeting with you. In this meeting, you can tell us more about how you want your support, when you want your support and what you want to achieve with your support.

Step 4: Starting your support

Starting your support is quick and easy, after getting all the information we need from you, we will start your support right away by matching you with the right support staff.
