About Us

A female-founded organisation, Cleo's Place is an inclusive skills development, therapeutic, and support organisation for people living with disability. While we provide services to all NDIS participants, we are specialists in intellectual and developmental disability, with a focus on fostering greater independence by empowering people to build capacity across many facets of life.

Cleo's Place is located in Brisbane and services all areas from the Gold Coast and Logan to Ipswich, Bayside, greater Brisbane, and Moreton Bay.
